CHINNOR'S

Chinnor's Côte d'Azur company has been established after a Japanese company opened a Japanese-style hotel in the area. The new hotel, located in the heart of the town, offers traditional Japanese-style rooms with all modern amenities. The hotel is situated in a beautiful setting, overlooking the sea and the surrounding mountains. It is a great place to relax and unwind, away from the hustle and bustle of the city. The hotel's staff is friendly and attentive, ensuring that guests have a comfortable stay. The food served at the hotel is delicious and freshly prepared. Overall, Chinnor's Côte d'Azur is a great addition to the local tourism industry.
